## *SPANISH IBEX (Beceite).*

*15th November – 1st April*

The Beceite is the largest of Spain's Ibex and offers one of the best hunts in the world in stunning scenery in the region of Aragón. You will be hunting in 43,000 hectares of private Estates with a high population of animals. The historic success rate is 99%. You can expect to see Ibex each day. We can cater for both experienced and inexperienced hunters. The difficulty of the hunting can be flexed to match the hunter's physical condition and requirements. Arrival is into Madrid (Barajas) airport, from where you will be collected and transferred to the hunting grounds, which are situated approximately 3 hours drive from the airport. An English speaking member of staff will accompany guests at all times.
